

Brushable Platinum Silicone Rubber

NEW!

Rebound® 40

We have had fabricators from all over the world tell us that there is nothing quite like Rebound® 25 brushable silicone rubber. It is so easy to use, versatile for handling different jobs and is good for casting wax, gypsum, resins, etc.

We are pleased to announce **Rebound® 40'**

- Shore 40A Durometer brush-on rubber
- Mix Ratio is 1A : 1B by volume
- Pot Life: 20 minutes / Cure Time: 6 hours
- Holds a vertical surface extremely well
